SP Davao City - Legal Consistency Ground Truth Evaluation

Magis Greetings!

We are Ralph Paolo Dulce and Yahyah Odin, senior Computer Science students from Ateneo de Davao University, under the advisory of Mr. Adrian "Ogs" Ablazo and course guidance of Ma'am Grace Tacadao.

In institutional coordination with the Sangguniang Panlungsod of Davao City, we are conducting our undergraduate thesis entitled:

“A Coarse-to-Fine Semantic Conflict Detection System for Ex-Ante Davao City Ordinances Using Information Retrieval and Natural Language Inference.”

PURPOSE AND YOUR ROLE
Under RA 7160 and the *Magtajas v Pryce* doctrine, local ordinances cannot contradict national statutes. To aid Second Reading legislative review, our study develops an automated screening tool to flag potential conflicts to proposed Davao City Ordinances against national laws and enacted city ordinances before enactment. As SP legal researchers, your independent legal judgments serve as the authoritative gold standard, or essentially the answer key, to benchmark our system's accuracy.

WORKLOAD
You are only reviewing ONE batch of 70 short provision pairs (taking approx. 60 minutes). You will NOT be asked to review the full 350-item dataset.

We deeply appreciate your valuable time, legal expertise, and service in supporting this research. Your insights will directly contribute to advancing data-driven decision support tools tailored to the legislative review workflow of the Davao City Council.

Please review the consent statement and brief professional profile below to begin. Daghang salamat!

DATA PRIVACY NOTICE & INFORMED CONSENT (R.A. 10173)

Please read the ethical guidelines and data privacy terms governing this research evaluation:

1. STATUTORY COMPLIANCE & INSTITUTIONAL OVERSIGHT
In strict compliance with Republic Act No. 10173 (The Data Privacy Act of 2012), its Implementing Rules and Regulations, and the ethical standards of the Ateneo de Davao University Research Ethics Committee, this study guarantees the full confidentiality, privacy, and intellectual integrity of your responses.

2. PURPOSE & SCOPE OF DATA COLLECTION
All collected data, including your professional background, legal ratings (Contradiction, Entailment, Neutral), and optional notes, will be utilized exclusively for academic research within this undergraduate thesis to benchmark the detection accuracy and inter-rater reliability of an automated statutory conflict screening system.

3. STRICT CONFIDENTIALITY & EVALUATOR ANONYMIZATION

- **Anonymized Analysis:** All evaluations will be analyzed and presented strictly in aggregate form (e.g., domain accuracy rates, confusion matrices). No individual response will ever be singled out or publicly attributed to any researcher.
- **Coded Identifiers:** For statistical tracking across the 350-pair benchmark, your responses will be processed using an anonymized alphanumeric identifier (e.g., Evaluator-01 to Evaluator-15).
- **Voluntary Name Provision:** Providing your name in the subsequent demographic section is purely OPTIONAL. If provided, your name will be used strictly by the proponents and faculty to generate an official Certificate of Contribution and Commendation endorsed for inclusion in your Civil Service 201 personnel records. If you choose to leave the name field blank, your evaluation will remain completely anonymous.

4. VOLUNTARY PARTICIPATION & RIGHT TO WITHDRAW
Your participation in this evaluation is entirely voluntary. You may pause, skip any question, or withdraw from this study at any stage without incurring any administrative, professional, or employment-related consequences, and without prejudice to your standing at the Sangguniang Panlungsod of Davao City.

5. DATA RETENTION & SECURITY SAFEGUARDS
All raw submission data will be securely stored within password-protected, encrypted institutional storage accessible solely to the thesis proponents and their academic adviser. Data will be retained only for the duration required for thesis defense and institutional archiving, after which any identifying administrative logs will be permanently deleted.

2. **Informed Consent** *

By selecting the checkbox below, you confirm that:

- You are an active legal researcher, committee staff member, or legislative officer at the Sangguniang Panlungsod of Davao City;
- You have read and understood the terms of this Data Privacy and Ethics Disclosure; and
- You freely and voluntarily consent to participate as a domain expert evaluator for this research study.

Check all that apply.

☐ I agree and consent to the statement above.

🏛️ NATIONAL STATUTE PREMISE (Section 6):
"Section 6. Automatic Price Control. — Unless otherwise declared by the President, prices of basic necessities in an area shall automatically be frozen at their prevailing prices or placed under automatic price control whenever that area is proclaimed or declared a disaster area or under a state of calamity. If the prevailing price of any basic necessity is excessive or unreasonable, the implementing agency may recommend to the President the imposition of a price ceiling. Unless sooner lifted by the President, price control of basic necessities under this section shall remain effective for the duration of the condition that brought it about, but not for more than sixty (60) days."

📋 MUNICIPAL ORDINANCE HYPOTHESIS (Section 4):
"SECTION 4. MANDATORY LOCAL PRICE CEILINGS UPON CALAMITY. — In accordance with local civil defense standards and the emergency management powers of the City Government of Davao, upon official declaration of a state of local calamity by the Sangguniang Panlungsod, the City Mayor, through the City Economic Enterprise Office and the Business Bureau, shall enforce mandatory price ceilings across all grocery and commercial retail establishments within Davao City, which price freeze shall remain in continuous legal effect for a mandatory period of one hundred eighty (180) calendar days from issuance. The City Disaster Risk Reduction and Management Office (CDRRMO) shall maintain continuous operational oversight and issue the corresponding administrative guidelines."

🏛️ NATIONAL STATUTE PREMISE (Section 6):
"Section 6. Automatic Price Control. — Unless otherwise declared by the President, prices of basic necessities in an area shall automatically be frozen at their prevailing prices or placed under automatic price control whenever that area is proclaimed or declared a disaster area or under a state of calamity. If the prevailing price of any basic necessity is excessive or unreasonable, the implementing agency may recommend to the President the imposition of a price ceiling. Unless sooner lifted by the President, price control of basic necessities under this section shall remain effective for the duration of the condition that brought it about, but not for more than sixty (60) days."

📋 MUNICIPAL ORDINANCE HYPOTHESIS (Section 5):
"SECTION 5. LOCAL COMMODITY MARGIN STABILIZATION. — In the exercise of delegated police powers to preserve public safety and stabilize local economic conditions during emergency periods, and to protect vulnerable consumer households during riverine flooding emergencies, the Business Bureau is authorized to enforce mandatory gross profit margins on essential grain and canned sustenance items based on pre-emergency wholesale acquisition costs, with immediate closure of non-conforming commercial stalls. The Business Bureau and municipal inspection teams shall maintain continuous surveillance to ensure that all local commercial operations conform strictly to these municipal directives."
